

COUNTY RATE IS LOWERED BY TAX OFFICIALS

STATE TAX COMMISSIONERS CUT 6½ CENTS FROM PROPOSED LEVY

Members of the State Board of Tax Commissioners completed their two-day study of the budgets of the Putnam county taxing units Friday afternoon.

During their opening session Thursday, the commissioners cut six and one-half cents off the proposed county rate for next year.

The county revenue levy was pared two cents, from 42 to 40 cents and the county welfare levy was reduced four and one-half cents, from 19½ to 15 cents.

Other reductions were made in township levies but final action on these cuts were not completed until Friday afternoon.

Members of the State Tax Commission who were here Thursday and Friday were Clark Jones, Ward Foley and Willard VanHorn. Also present was Silas Steele, a representative of the Indiana Taxpayers Association.

Polish Trawler Sinks, 10 Die

IJMUIDEN The Netherlands (UP)—A capsized Polish trawler sank in the North Sea late Thursday night with 10 crewmembers trapped inside in a huge air bubble that kept them alive for more than six hours.

A Norwegian rescue tug rushing to the scene with cutting torches to free the men was only 55 miles away when the fishing vessel Cyranaka disappeared beneath the storm-whipped waves.

The trapped men were kept alive to the last minute by the big bubble in the hull, witnesses said. They were heard beating frantically on the steel walls of the ship as it sank.

Wildcat Strike Ends At Peoria

PEORIA, Ill. (UP)—A "wildcat" strike against the Caterpillar Tractor Co. ended early today when an agreement was reached between the company and the AFL-CIO United Auto Workers.

The work stoppage started Tuesday when a foreman threatened to demote a welder if he didn't speed up his production. The welder and a union shop steward walked out, and soon were followed by some 19,000 production workers.

A joint statement contained a provision "that settlement of current disputes between parties be expedited through established channels."

Tiger Cubs Play At Martinsville

An injury-riddled Tiger Cub grid squad will invade Martinsville tonight for the sixth game of the season for the local high school team.

Coach Al Nowak's aggregation has a 2-3 record so far and the Cubs would like to even their standing at 3-3 at the expense of the Artesians.

However, it is doubtful that Bill Fobes, Greencastle's passing quarterback, and Gilbert Brown, halfback, will see little if any action. John Ray and Ronnie Monnett are also nursing injuries and their activity may be limited.

10 Meet Death In Canada Crash

VIRDEN, Man. (UP)—Ten persons were killed and one seriously injured late Thursday night when two automobiles collided head-on on the Trans-Canada Highway 10 miles south-east of here.

It was the second case of 10 deaths from a single traffic accident in as many days. About 24 hours earlier, 10 persons died in a highway collision at Muncie, Ind.

Royal Canadian Mounted Police said there were six persons in one car and only the driver survived. All five in the other car were killed.

The cars both were 1955 models. One was registered in Saskatchewan and the other in Manitoba.

Four of the victims were children.

A woman and the four children were killed in a car bearing Saskatchewan license plates. A man driving the car was in serious condition in a hospital at Virden. Five men in the other car, which was owned by Standard Oil Company, were killed instantly.

Police said all six persons in the Saskatchewan car were thrown clear of the wreckage. Three men in the other car, believed to have come from Virden, were thrown clear and the two others were trapped in the vehicle.

Farm Prices Get Boost From U.S.

WASHINGTON (UP)—The Agriculture Department today bought 1,700,000 dozen eggs, 6,600,000 pounds of hamburger and 1,700,000 pounds of turkey in an effort to bolster farm prices.

It was the second weekly purchase of all three products, bringing the total cost of the three-way price propping program to \$5,100,000.

All three products will be given to school lunch rooms and other non-profit institutions. The department said purchases will continue weekly until further notice.

Department officials have said they plan to buy a total of 50 million pounds of hamburger. They have set no ceilings yet on purchases of turkeys and eggs.

The department paid 32 to 35 cents per pound for the hamburger today, compared with a 31-35 cent price range last week.

Prices for eggs purchased this week were 37 to 42.5 cents per dozen compared with 33-42 cents last week. The department paid 37 to 39.5 cents per pound for turkey this week compared to 37-37.5 cents last week.

Foster Heads Banking Group

O. B. Foster, of Cloverdale, was elected president of Region Six of the Indiana Bankers Association during the meeting held Wednesday night at Terre Haute.

More than 200 bankers from nine counties attended the session held at the Allendale Country Club. Speaker for the evening was James R. Kenner, president of the Thayer County Bank of Hebron, Nebraska.

TRAFFIC MISHAP

William Vandiver, of Montezuma backed out of a parking place on the south side of the J. C. Penney store Thursday and his car hit the rear of an auto belonging to Letha Freeman, city.

Police said Nathan Curtis, a mechanic, had stopped the Freeman car for the stop light to change, at the corner of Washington and Jackson streets, when the accident occurred.

BREAK GROUND FOR MANSFIELD FLOOD PROJECT

HIGH OFFICIALS ATTEND CEREMONY HELD FRIDAY AFTERNOON

The first shovel of dirt for the new Mansfield Dam and Flood Control Project, was turned at two o'clock Friday afternoon at the site of the new dam in Parke county near Ferndale.

Prior to the ground breaking exercises, a dinner was held at the Brazil Elks club for visiting officials who participated in the ground breaking exercises. Anton Hulman, chairman of the Indiana Flood Control Board, and Army Engineering officials attended both the dinner and the ground breaking exercises as did many others. The principal speaker at the site of the new dam was Col. J. I. Person, Assistant Chief of Engineers for Civil Works, U. S. Army Engineer Washington D. C. Others included Gov. George N. Craig, Sen. Homer E. Capehart, Congresswoman Cecil M. Harden, who has worked hard for the project, Lawrence Bradburn, president of the Rockville Commercial Club, Walter H. Wimmer, Parke county farmer and well known here.

Music was furnished during the afternoon by the Rockville high school band. The Mansfield project, a short distance north of the village of Ferndale, will be similar to Cataract Lake. The Indiana Department of Conservation is expected to create several recreation areas bordering the new lake when it is completed in three years.

Designed for flood protection, the new lake will have a surface of 1,100 acres. The dam will be rolled earth fill with a total length of 1,790 feet and a maximum height of 113 feet. A rolled earth dike 1,520 feet long with a maximum height of 28 feet also will be constructed west of the dam to make full use of storage space at the location.

Clearing of trees and brush in the reservoir area will be up to an elevation of 643 feet, three feet above the permanent pool elevation of 640 feet. The federal government will purchase land up to an elevation of 678 feet and easement payments for any future damage in temporary flooding will be made up to an elevation of 693 feet.

The relocation of U. S. 36 will cover 1.53 miles, with a new higher bridge. A total of 11.9 miles of oil pipeline will be relocated.

The total cost of the project is expected to be \$7,400,000. Robert H. King, Danville contractor, was low bidder for building outlet works at Mansfield and preliminary work is already underway. His bid was \$775,842.

The Mansfield project was authorized by Congress in the Flood Control Act June 28, 1938.

Bids were asked following two years of detailed designing and planning by army engineers and the appropriation of \$500,000 by the 1956 Congress.

Since Ind. 59 is now under construction, it will not be open to those planning to attend ground breaking ceremonies. The best route to the dam site is from U. S. 36 at Hollandsburg.

The reservoir will be the first unit in a long-range plan of the Indiana Flood Control and Water Resources Commission to control floods in the Wabash River, the historic stream which near Terre Haute, becomes the dividing line between Illinois and the south-western border of Indiana.

MASONIC NOTICE

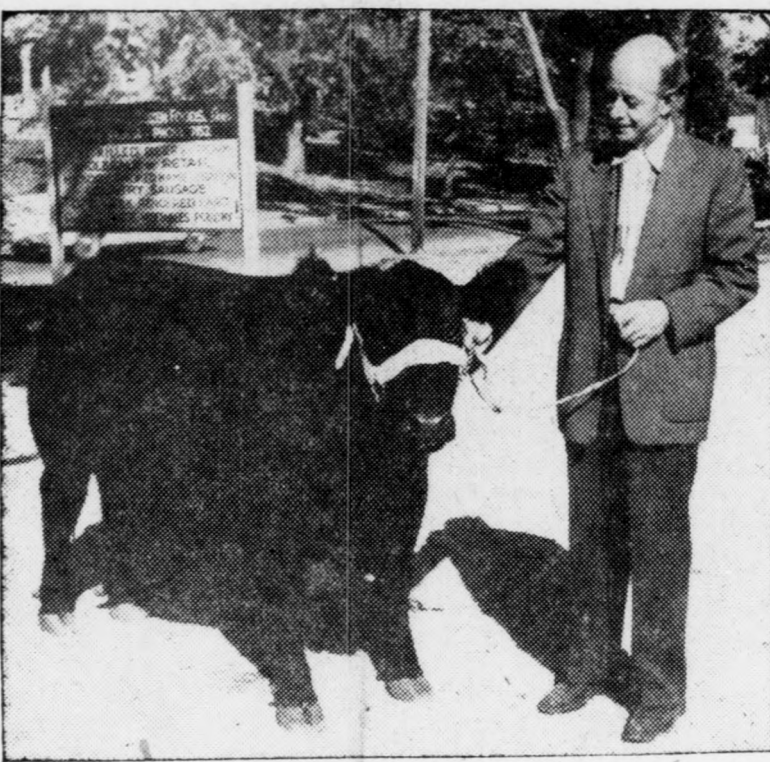

All members of Applegate Lodge 135 Fillmore are urged to come to the home Saturday, October 6th, to help with the remodeling project.

DIFFERENCES SETTLED

CINCINNATI, Ohio (UP)—President John L. Lewis of the United Mine Workers announced today the union and the coal operators had settled their differences and would sign a contract today calling for a \$2.40 a day wage increase for about 200,000 northern soft coal miners.

CHAMBER HEAD MEETS FERDINAND

Gifford Black, president of the Greencastle Chamber of Commerce, is shown above with Ferdinand, the Putnam County Grand Champion Steer, raised by Earl Goff of Russellville. Ferdinand will be barbecued "right before your eyes" on the court house square during the big "Meet Our Town" celebration on Friday and Saturday, October 12th and 13th.

Dirks To Quit C. of C. Position

L. H. Dirks announced his intention to retire as executive secretary of the Greencastle Chamber of Commerce at the regular meeting of its Board of Directors on Thursday afternoon. Mr. Dirks stated that he would like to be relieved of his duties at the end of the year, and which will terminate four years serving in this capacity.

One of the best known educators in the state, Dean Dirks began his career as an educator in 1900 as a teacher in a one room school of fifteen pupils in Marion county. After a number of years as a teacher in primary and high schools in the state, Mr. Dirks became dean of men at DePauw, and after 22 years in this position, was retired in 1954.

Subsequently, he taught for a year in Bainbridge, and four years ago was asked to become executive secretary of the Chamber of Commerce. In the intervening years, Greencastle has shown its greatest growth.

The resignation of Mr. Dirks was accepted by the Board of Directors, but no action was taken on a successor.

IKE COMMENTS

WASHINGTON (UP)—President Eisenhower said today it would be foolish for the United States to stop H-bomb testing without getting a foolproof agreement with Russia and the rest of the world to do the same.

Mr. Eisenhower set forth his position in a news conference statement replying to Democratic presidential candidate Adlai E. Stevenson's proposals to ban H-bomb test.

The President also said he has found it necessary to intensify his campaigning to clear away what he called the underbrush of opposition misstatements.

Kiwanis Held Luncheon Meet

National Newspaper Week was observed on Thursday by Greencastle Kiwanians with a talk by DeForest O'Dell, head of the journalism department at Butler University. Mr. DeForest has just returned from Osmani University at Hyderabad, India, where he has been teaching journalism in recent years. Don Tourtelot introduced the speaker.

Mr. O'Dell called the attention of his audience to the value of newspapers, and their importance in the preservation of our freedoms. Interesting was the statement that there are 1,765 daily newspapers in the United States with 55 million circulation, and 850 weeklies with 17 million circulation.

The speaker went on to compare newspapers of the United States with those of India. He commented that even though India has been most backward as a nation of illiterate people, greater progress is being made, and its newspapers are playing a great role in this improvement.

James Gilley, retired teacher, was a guest of Albert Avery.

BABY FOUND UNHARMED

CHICAGO (UP)—Month-old Ronald Joseph Bucher was found today with the young woman who kidnapped him.

Police found the child and the woman after a door-to-door search of the neighborhood.

Police Capt. John McCarthy said the child was unharmed. Police immediately returned the infant to its mother and took the other woman into custody.

She was identified as Gladys Bynum, 5224 S. Lockwood. Detectives said they went to her home on a tip.

CECIL HARDEN HAS PART IN DAM CEREMONY

SAYS MANSFIELD PROJECT WILL BENEFIT WEST-CENTRAL INDIANA

Congresswoman Cecil M. Harden, speaking at dedication ceremonies for the Mansfield Flood Control Project Friday afternoon, described the Federal undertaking as "a significant addition to the well-being of west-central Indiana."

Mrs. Harden paid tribute to the Indiana Flood Control Commission for its "consistent and helpful" support of her efforts to obtain construction funds for Mansfield. These efforts were rewarded this year when Congress acting upon a special request from President Eisenhower, allotted \$500,000 to begin construction of the \$7,500,000 dam.

When completed approximately three years hence, the Mansfield Dam will back up a lake of some 1,200 acres.

"Not only will thousands of acres of valuable farm land gain flood protection, but the recreational values of the lake cannot be overestimated," the Congresswoman said.

"Land values in the vicinity will rise. New business will spring up. The whole area will benefit in every way."

"I am proud to have played a part in Mansfield's creation," Mrs. Harden concluded.

Scouts To Attend Camp Jamboree

Boy Scouts of Troop 99 will go to Terre Haute for the Scout Jamboree Camp at the Terre Haute Fair Grounds this week end.

Transportation will be furnished by the parents and Assistant Scoutmaster Jim Life will leave with the boys. Scoutmaster Murray Lewis will come back with the troop.

There will be approximately 1200 boys at this Jamboree and each individual troop will have their own camp and plan and cook their own meals.

The boys will leave from the First Christian church Friday afternoon between 4 and 5 p. m. and will return to Greencastle Sunday morning between 10 and 12 a. m.

Any boy 11 years or older who wishes to become a Boy Scout please meet with the scoutmaster on Monday at 7:30 p. m. at the First Christian church.

About 12 or 15 boys from Troop 99 will make this trip to the biggest Jamboree in years.

KILLED BY RIFLE

INDIANAPOLIS (UP)—Mrs. Betty Flint, 28, an expectant mother, was killed today by a bullet from a rifle as she lay on a couch watching a television program.

Her husband, Jack, 33, told authorities he was sitting on the floor cleaning the rifle when it discharged accidentally. He said he was preparing for a squirrel hunting trip.

The Flints had been married six months.

Indiana Art To Be Shown Here

An exhibit of typically Indiana art will be shown in the Memorial Student Union Building starting Oct. 10th.

The Brown County Art Gallery Association at Nashville, now celebrating its 30th anniversary, is a member of the Indiana Federation of Art Clubs.

Forty-six Indiana artists are represented by several works of variety in the show. Martha Mosier, chairman, will select and hang the exhibit. Other court members are Adolph R. Shuly and George Jo Mess.

Members of this group have just completed a showing in the Fireside Gallery at Cincinnati.

State Will Get 1st Print Shop

VINCENNES, Ind. (UP)—The Elihu Stout print shop, where Indiana's first newspaper was published 152 years ago, will be dedicated and presented to the state as a gift Sunday.

Journalism dignitaries and state officials will gather here for a one-day program marking completion of the restoration of Stout's shop in Harrison Park near the old territorial capital of Indiana.

Former Chief Justice Curtis G. Shake of the Indiana Supreme Court will present the shop to the state as a permanent memorial during the dedication ceremony. It will be accepted on behalf of the state by Hubert H. Hawkins, director of the Indiana Historical Bureau.

Stout was credited with publishing and printing the state's first newspaper, the Indiana Gazette, in 1804. The shop was restored recently by the Lincoln Free Press Memorial Association, of which Shake is chairman.

The program will open with a wreath-laying ceremony at the grave of Stout, who died in 1860, in the old Vincennes Cemetery. The ceremony will follow a noon luncheon.

Drinks, Speed Caused Tragedy

MUNCIE, Ind. (UP)—A speeding motorist under the influence of alcohol may have been responsible for Indiana's worst automobile collision in history which killed 10 persons Wednesday night, authorities said today.

Coroner Eugene Elissman said a blood test on the body of Fred Beal, 32, driver of one of the cars, indicated he had been drinking. But the alcoholic content in the bloodstream was not up to the "legal limit" beyond which a driver can be cited for drunk driving.

The tests showed Beal had a .1 alcoholic content. Law enforcement authorities consider intoxication .15 in submitting drivers to drunkometer tests.

Elissman said Beal's car, in which nine of the victims were riding, apparently sped around a curve at "terrific" speed on the wrong side of the road.

The coroner said tests showed no alcohol in the bloodstream of Thomas B. Burns, 35, Keystone, who was driving alone in the other car.

IKE TO SPEND EXTRA DAY IN SEATTLE, WASH.

PRESIDENT TO EXTEND HIS WESTERN CAMPAIGN JAUNT

WASHINGTON (UP)—President Eisenhower will extend his western campaign trip this month an extra day in Seattle, Wash. However, no new stops were planned.

The White House announced the expanded trip just after Vice President Richard M. Nixon reported to the Chief Executive on his own 16-day campaign trip through 32 states. One of Nixon's recommendations was reported to be that Mr. Eisenhower visit more states where key GOP candidates are running.

White House Press Secretary James C. Haggerty said Mr. Eisenhower is considering some expansion of his one-day trip to Pittsburgh next Tuesday. Haggerty hinted that the President's activities would include more than this television address.

However, Haggerty would not give other details except to say that Mr. Eisenhower would not visit another city or deliver another formal speech. "He said it will remain a one-day trip, as originally planned."

On his western swing, Mr. Eisenhower originally planned to fly to St. Paul and Minneapolis, Minn., for daytime appearances Oct. 17. He would then fly to Seattle for a television appearance that night with Washington's GOP Gov. Arthur Langlie, who is in a tight contest with Sen. Warren G. Magnuson, D-Wash., for the Senate seat.

Under the new schedule, Mr. Eisenhower will go to Minnesota Oct. 16 and spend the extra full day in Seattle. However, the schedule for the extra day has been left open so far.

Attend Social Science Sessions

A sizeable delegation of DePauw University professors is attending sessions of the Indiana Academy of Social Sciences this weekend in Crawfordsville.

Members of the group include Profs. Harry Voltmer, Clark Norton, Wallace Graves, and Stephen Early, political science; W. R. McIntyre and John Reiling, sociology; and Judson Wycoff, David Maloney, and John Maher, economics.

The academy's annual meeting began this afternoon on the Wabash College campus and will continue through tomorrow morning.

Appearing at tomorrow's government-business administration session will be Professor Early, who is scheduled to present a paper on the subject, "Administrative Problems in Public Planning Programs."

Professor Graves is the academy's vice-president for political science and secretary of the organization is Professor Norton.

Woman's Club Luncheon Held Wednesday

The Woman's Club opened the
club year with a luncheon Wed-
nesday, Oct. 3rd, in the Union
Building.

Mrs. O. T. Martin turned over
the gavel to the new president,
Mrs. Robert Gould, who opened
the meeting by reading a bened-
iction the 100th Psalm, which
was followed by the Lord's
Prayer.

Mrs. A. C. Northrup gave an
appropriate tribute to Mrs. F.
W. Hixson in memory of her
many years of service in the
club.

Mrs. Evan Crawley outlined
the programs for the coming
year. They will be based on the
theme, Professions in which
husbands and wives working to-
gether have achieved success.

Mrs. Robert Gould, as the pro-

D. A. R. State Meeting Held in Indianapolis

The fifty-six annual DAR
State Conference convened at
the Sheraton-Lincoln Hotel in
Indianapolis, Oct. 2, 3, 4. Wash-
burn chapter was represented by
their Regent, Mrs. Truman
Yunker and delegates, Mrs.
Robert McCullough, Mrs. Rose
McCullough, Mrs. William Boat-
right and Mrs. Clarence Riggs.

Mrs. Boatright and Mrs.
Riggs attended the Wednesday
sessions while the rest were
there for the entire conference.

The State Officers Club of
the Daughters of the American
Revolution held their annual
banquet on Monday night in the
Lincoln Room.

Mrs. Yunker, Mrs. Robert
McCullough, Mrs. Riggs and
Mrs. Neal attended.

"Cherish and Maintain Ameri-
can Freedom" is the DAR theme.
Mrs. Harry Wolf of Muncie is
the State Regent. Her reception
was held on Tuesday evening
with Regents from the Central
District as hostesses.

Splendid reports and interest-
ing speakers were heard through-
out the meetings. An address
by Dr. John R. Emens, president
of Ball State Teachers College,
on "American Education Inc., a
Report to the Stockholders" was
heard Tuesday evening. On
Wednesday afternoon Mrs. R.
E. Wayland told in a very in-
teresting manner of her work
with the Navajo Indians. An
address by Dr. R. C. Young,
courtesy of General Motors,
"Keeping Alive the American
Heritage" was very thought
provoking.

There were eighteen pages
who carried the American flag,
State and Chapter banner in all
the processions. Mrs. John D.
James of Indianapolis, the
daughter-in-law of Dr. and Mrs.
W. D. James of Greencastle,
was one of them.

The Central District of which
Washburn Chapter is a part had
100% attendance at State Con-
ference. On Wednesday noon a
total of two hundred and thirty
two had registered.

son of Mr. and Mrs. Morris Wil-
liams, Greencastle R. R. 1, were
united in marriage Sunday, Sept.
23 at 2:30 p. m. in the New
Market Christian Church, Rev.
Clavin Miller performed the
double ring ceremony.

The church was lighted with
tapers in 7 branch candelabra.
The altar stood amid a setting
of white gladiolus and palms.
Before the reading of the
nuptial vows, Miss Mary Ann
Hoss, organist, played bridal
selections, and also played the
traditional music for the pro-
cessional and recessional, Miss
Barbara Boots sang the bridal
airs which included, Always,
Because, and The Lord's Prayer.

The bride was gowned in
white lace over taffeta. The
skirt of which fell into ballerina
length. Her veil was attached
to a head piece of lace and
pearls. She also wore a pearl
necklace and earrings, a gift of
the groom, and carried white
roses on a white Bible.

Mrs. Sue Lytle cousin of the
bride was maid of honor. She
wore a ballerina length dress of
pink taffeta and head band to
match. She carried a bouquet of
pink and white carnations.

James Lytle friend of the
groom served as best man.

The brides mother chose a
dress of aqua rayon with brown
accessories. The groom's moth-
er chose a beige jersey dress
with aqua accessories. Each
wore a corsage of aqua carna-
tions.

Following the wedding, a re-
ception was held at the home of
the bride's parents.

The table was centered with
a three tier white cake with
miniature bride and groom.
Pink gladiolus encircled the
base of the cake and punch
bowls, white tapers in crystal
holders were used at each end
of the cake.

Punch was poured by Mrs.
Joyce Servies and Mrs. Sharon
Servies, sisters-in-law of the
bride.

For going away, the bride
chose a light blue wool dress
with navy accessories and her
bridal bouquet.

After a few days wedding trip
in the south, they will be at
home to their friends on R. R.
1, Russellville.

Out of town guests for the
wedding were from Danville,
Roachdale, Crawfordsville, and
Greencastle.

ner will be served at 6 p. m. by
the Greencastle Chapter 255
Order of Eastern Star for the
Job's Daughters, their parents,
members of Eastern Star and the

MOTHER, SON KILLED

WABASH, Ind. (UP)—Mrs.
Margaret Banks, 22, Wabash,
and her two-year-old son, David
Lee, were killed today when a
speeding passenger train struck
the family's car at a Wabash
crossing.

Her husband, Benny, was re-
ported in fair condition in a
hospital. Charles Thomas, en-
gineer of the train, said he saw
the car as he rounded a curve,
blew his horn but was unable to
stop. Another son, Douglas,
three weeks, was in the car but
was uninjured.

W.U.S. Carnival On Tap Tonight

Fourteen amusement booths,
offering games of skill and
luck, will dot DePauw's campus
behind the Student Union to-
night at the annual W.U.S.
Carnival.

Visitors will have opportu-
nities to play the human pinball
machine, practice on a miniature
putting green, squirt water at
candle-holding coeds, and view
baby pictures of DePauw pro-
fessors.

Other features of the student-
sponsored carnival, which is op-
en to the public, will be a ferris
wheel, merry-go-around, and the

notorious dunking game, the
African Dip.

Profits from both the carni-
val and a campus fund-raising
drive will be administered
through the World University
Service to destitute students at
the University of Jerusalem.

The event will open at 7 p. m.
and continue until 11, with late-
evening highlights including a
raffle of items donated by local
merchants and the Frog Hop, a
jumping contest for graduate
tadpoles.

Also planned in an effort to
reach DePauw's W.U.S. goal of
\$1200 are two sideshows, featur-
ing in almost-continuous per-
formances the comedy routines
of university professors and stu-
dent members of Mortar Board
and Gold Key.

Wheat Acreage Into Soil Bank

WASHINGTON (UP)—The Agriculture Department reported today that wheat farmers have agreed to put 4,335,555 acres of 1957 winter wheat into the soil bank.

The agreements signed so far are somewhat under a third of the department's goal of putting 15 million wheat acres, both winter and spring varieties, into the soil bank for 1957. Winter wheat usually accounts for about two thirds of the total wheat crop.

Today's report covered 106,455 agreements signed by farmers up to Sept. 28. It compared with 79,985 agreements, covering 2,997,007 acres, signed by the end of the previous week.

The department said farmers will be eligible for soil bank payments of \$79,781,774 if they comply with agreements so far signed.

Friday is the deadline for signing 1957 winter wheat agreements.

The oldest, and perhaps the most outstanding, of the many Presidential-proclaimed weeks is with us again. Sure, we mean Fire Prevention Week, October 7-13.

The reason behind the observance of a "week" goes back to October 9, 1871. On that day Mrs. O'Leary's renowned cow kicked over a lantern and started the famous Chicago fire. After many warnings in various parts of the country, the fire held "cle a n u p" days to eliminate potential fire hazards. The idea expanded into Fire Prevention Week.

Unfortunately, the fire threat grows bigger each year. And, the total destruction for the first 6 months of 1956 is more than 10% higher than for the same period in 1955.

Apart from the statistics, lie the frightful individual misfortunes—thousands of homes damaged temporarily or permanently, and 11,000 fire deaths!

Human carelessness and lack of understanding are responsible for about 90% of all fires, experts say.

So now—with Fire Prevention Week at hand—resolve not to be careless. Start by eliminating any obvious fire hazards at your own home or business.

While "Fire Prevention" is a worthy goal, don't forget to face reality. Fires, no doubt, will keep on occurring. So see us for your Fire Insurance needs.

Name Operators For Suez Canal

LONDON (UP)—The third London Big Three today picked the Big Three—the United States, Britain and France—and three other nations to run the Suez Canal users association. It left a seventh directorship open in case other countries join the association.

In addition to the Big Three the conference named Italy, Norway and Iran to the "executive group" which will carry on day-to-day operation of the users association. It left a seventh seat vacant until Japan, Ethiopia and Pakistan make their final decision whether to join. The three nations are represented at the conference as observers.

The conference announced that choice of an operating chief will be put off until next week when the executive group holds its first formal meeting. The association agreed on a constitution Thursday, but failed to agree on the location of its permanent headquarters.

Sun Shines On Eastern States

A return to sunny skies over most of the Eastern states today was expected to pave the way for resuming the World Series in New York following Thursday's interruption by a light rainfall.

A band of showers moving up the Atlantic Coast and leaving rainfalls of less than one inch

was responsible for halting series play. Rain was heavier along the Gulf where some cities such as Galveston, Tex., were soaked by 1½ inches of rain.

Wet weather also covered large parts of the West from Montana southwest into Central California.

Contrasting belts of warm and cool air marched eastward over the nation's grain belt. States bordering the Great Lakes and the Mississippi River reported night-time readings more than 20 degrees cooler than 24 hours earlier.

Grand Marais, Mich., shivered in a chilly 26-degree temperature compared with a 54-degree reading Thursday. Farther west, Phillip, S. D., reported the mercury stood at 70 degrees, up 24 degrees from the same time early Thursday.

Tigers Travel To Ball State

Winless DePauw bumps into undefeated Ball State in an Indiana Collegiate Conference game tomorrow afternoon on the Muncie school's home field.

In two games to date the local Tigers have followed last year's pattern by losing to Evansville and St. Joe, and a victory over Ball State would carry the pattern one step further.

Against the Cardinals in 1955 DePauw copied a 19-6 verdict for its first gridiron triumph in two and one-half seasons, then went on to win four of the last six contests.

Ball State is untested in conference competition but already owns decisions over Hanover and Indiana (Pa.) Teachers by 12-7 and 26-0 scores, respectively.

Coach Bob Hicks of DePauw plans to stick with Morrie Goodnight at quarterback, using Tom Campbell and Dene Knight at the halves and sophomore George Mestousis at fullback.

Missing from the probable starting backfield are the Bengals' top two ground-gainers—fullback Skip Mathieson, who has 86 yards in 20 carries, and halfback Dick Hackenberg, 72 yards in 17 tries.

I. U. COACH COMING

It was announced today by L. H. Dirks, executive secretary of the Greencastle Chamber of Commerce, that Branch McCracken, veteran basketball coach at Indiana University, will be the speaker at the dinner meeting of the Quarterback Club at the Student Union on Wednesday, Oct. 10th, at 6:45 p. m. Mr. McCracken was substituted for Jack Elder, who due to prior commitments, is not able to be present. Dean Dirks announced that there will be several other interesting features on the program next Wednesday evening.

Memberships and reservations may be made by calling the Chamber of Commerce, or may be obtained at the door on Wednesday evening.

He said the government will have to make more economies first.

The President gave this answer at his news conference when asked about prospects for lowering federal taxes in the next year or so.

Mr. Eisenhower said he would not classify that prospect as bright or just around the corner.

When more economies are made in government operations, he said, it is possible to see how the government stands, and make a reasonable tax cut.

He said government economies, getting rid of useless things and going things that need to be done, will open the avenue by which tax reduction can be made.

ANNOUNCES \$1 BILLION OF LIFE INSURANCE NOW IN FORCE

WILLIAM R. PADGETT,
local agent for the State
Farm Insurance Companies
of Bloomington, Illinois, an-
nounced today that State
Farm Life Insurance Com-
pany's Ordinary life insurance
in force passed the one billion
dollar mark in September.
"No other life insurance com-
pany", he added, "has ever
grown so large during its first
27 yrs. through the individual
placing of policies by its own
agents."
"We feel this billion dollar
achievement is a strong en-
dorsement of our State Farm
auto-life-fire 'personal insur-
ance' plan. And by the people
who count most — our policy-
holders."
Mr. Padgett invites inter-
ested readers to contact him
with any or all of their auto-
mobile, life and residence in-
surance problems.
